

Educational Opportunities

Support

Medical education plays an important role in the quality of healthcare delivered across the globe. Physicians, researchers, scientists and other healthcare professionals are increasingly challenged to maintain their knowledge, skills and abilities within their respective professions. By providing an educational grant in support of the educational opportunities below, you will make a vital contribution to these efforts and support better patient outcomes.

All educational grants are managed in compliance with relevant CME accreditation criteria and industry compliance codes. In order to ensure independence of all CME accredited elements, companies providing grants may not influence the topic, speaker selection, or any other aspect of the content or presentation. No promotional, commercial, or advertising materials may be included in the following opportunities. All support will be disclosed to participants.

All grants are managed in compliance with relevant accreditation and industry compliance criteria.

Independent educational grants, dedicated to the educational mission of the Annual Meeting, are appreciated and important to the Meeting's success.

- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

Educational Grant in support of an Existing Official Session accepted or invited by the Scientific Committee and supported by a grant from the industry.

- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

As a trusted partner, Kenes Group will take on the responsibility for indirect sponsorship for E-INS 2023 . The industry will entrust the Kenes Group and provide educational grants directly, and Kenes Group/**Congress** will be responsible for participants (HCPs) pre-selection.

Educational Participation Grants of any amount are appreciated and important to the success of E-INS 2023

Recipients (HCPs) will need to fulfil the criteria specified by **Congress** in order to be eligible to apply for an educational participation grant. Accepted grant recipients will be contacted by the **Congress** Secretariat.

Kenes e-Posters are a unique combination of scientific posters and interactive content. An e-Poster is an electronic version of the traditional paper poster and is shown at dedicated digital stations at the event.

E-Posters create unique networking and engagement opportunities, generate participants' interest, and are good exposure for authors. The highly trafficked e-Poster terminals, located in prime locations allow attendees to access the electronic presentations easily and conveniently. E-poster support includes:

- Signage at the entrance to the e-Poster area with "Supported by..." and a company logo only

- Signage, “Supported by...” and a company logo only on each individual e-poster station OR on the “sail” *Team note- this item depends on the vendor. In some countries, the E poster stations do not include a sail
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

An electronic version of the traditional final program will be available to participants to access the scientific program and other congress information easily and conveniently online and as a download on mobile phones or computer.

With e-Books, participants can use the intuitive Search button, have the ability to bookmark sessions, events and other information, share information with colleagues and if desired, even print the programme. Supporter will not have any input regarding the content.

- Supporter acknowledgement on the cover of the e-Book: “Supported by: company name/logo” (product logo not permitted)
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

The Meeting App engages attendees with personalized planning tools and real-time event updates. The App transforms smartphones, tablets, and laptops into tools for active meeting participation and makes it easy for participants to access meeting information to connect with speakers and colleagues. The App includes the scientific program, abstracts, speaker information, participant lists, the rating/voting system for sessions and speakers, and a personalized scheduler. The App can be downloaded from the Apple App Store and Google Play.

Meeting App sponsorship support includes:

- Supporter acknowledgement on the splash/pop-up screen of the App: "Supported by: company name/logo" (product logo not permitted)
- 2 "push notifications" included in the sponsorship package
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

The thumb drive will contain all of the scientific abstracts. Each participant will receive an exchange voucher that can be exchanged for a thumb drive at the Supporter's exhibition booth.

- Exclusive advertisement on the back of the exchange voucher (optional)
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.
